

# If you needed temporary CCTV towers here tomorrow

## you'd call: 0203 859 9588

At Fortis Property Services, we offer the latest in temporary CCTV tower security solutions designed to provide effective, flexible, and reliable protection for your site - whether it's a construction project, vacant property, or any other high-risk location. Our CCTV towers are equipped with modern surveillance technology and are monitored professionally to ensure your premises are secure 24/7. With easy deployment, our CCTV towers offer a scalable solution to meet the unique needs of your property, providing unmatched peace of mind.

Temporary CCTV towers provide a cost-effective and efficient security solution for a variety of environments. Often a more affordable option than manned guarding or permanent installations, without compromising security. Our CCTV towers are linked to professional monitoring stations, allowing for real-time alerts and updates, including deployment of mobile units as required. Ideal for short-term or long-term security needs. These towers are easily deployed and relocated to suit changing security requirements, making them highly flexible. With rugged, weather-resistant designs, they are built to withstand harsh environments reliable protection in any condition. Simply contact us today to request a survey and quotation.

## We'll be there when you need us.
